## **COMMENTS**

### ***Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: claim 1 defines a device for generating a loop for file in an embroidery frame. The device comprises a fore-back driving part driven by a motor and first, second and third gears movable relative to each other and connected to a worm gear and including first and second stops. A left-right driving part is provided driven by a motor and fourth and fifth gears movable relative to each other and connected to the worm gear. A lead arm part connected to the fifth gear shaft and including a second stop bar and lever stoppers for forming a loop during the embroidery. The dependent claims further limit the device for forming a loop in and embroidery of the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
